OLD BUSINESS:

1. DISCUSS DRAFT OF NEW ANIMAL ORDINANCE AND RECOMMENDATIONS REGULATING ANIMALS

Mayor Reinhard stated the workshop this evening is to continue discussion on the proposed animal ordinance. He stated he would like to pick up review and discussion where they left off last time; page 19, Section 4-1, Number Allowed. Mayor Reinhard stated at the last workshop there was an action item for Councilperson Thornton to get with Sean Skaggs and the O'Connor Agriculture Program to get recommendations for specifications of shelters/feeding areas. Additionally, they wanted a recommendation on the appropriate number of animals if they were to reduce the current number. Councilperson Thornton stated he didn't have a chance to meet with Sean Skaggs or the O'Connor program. Councilperson Thornton and Sean Skaggs stated they would meet to get this information from the O'Connor Agriculture Program. Minor changes and additions were noted for correction and or updating to the ordinance. The ordinance was reviewed in whole and recommended changes noted. Mayor Reinhard stated the City would make the recommended changes to the ordinance and send out to City Council for a final review. It was Council's consensus that they would like to hold one last workshop after the changes are made to make a final review.

Mayor Reinhard adjourned the Workshop Meeting at 8:36 p.m.

These minutes were written/recorded by Shannan Kinsley.

These minutes were approved as written amended on the 28th day of May, 2013.
