

On February 20th, 2014, the Grey Forest City Council participated in a joint workshop with the Grey Forest Volunteer Fire Department Board and staff members. The workshop convened at 6:10 p.m. Throughout the workshop, Fire Chief Shane Reddout and other Fire Department staff conducted explanations of various aspects of Fire Department operations, including:

- Area of department coverage
- Various regulations and requirements with which the department must be in compliance
- Vehicle and support equipment owned by the department
- Firefighter and medical support equipment
- Equipment inspection and certification requirements
- Call and response policies, procedures
- Demonstrations of call and response support software
- Tour of living quarters constructed in a previous year that was supported by City funds
- Questions and answer session including but not limited to topics on Emergency Services District (ESD) funding and interaction, new ESD Fire Station plans, possible schedule, budget concerns, general expenses for maintaining the department

The workshop concluded at 8:25 p.m.

These minutes were written/recorded by Ronald G. Reinhard.

These minutes were approved as ~~written~~ amended on the 25th day of March, 2014.

Signed: 
Ronald G. Reinhard, Mayor
